

## Photo Speak Packs

The Liverpool World Centre has a brand new Photo Speak resource pack available now. There are two packs available, both primary and secondary, built up of a selection of vibrant new portrait photographs from all around the world.

The photographs are designed to be used in a wide variety of ways. They can be used for simple icebreakers to deeper personal sharing to social analysis issues. The limits of the photographs are down to the creativity of the holder.

### The Primary Pack

The primary pack comes with 21 beautiful portraits of people from various countries, showing different cultures and emotions.

### The Secondary Pack

The secondary pack come with 19 portraits slightly more suited for the older age group, with controversial and conversation starter topics.
