

Liverpool World Centre

2016-2017

- ARE YOU A GLOBAL SCHOOL?
- ARE YOUR STUDENTS GLOBAL CITIZENS?
- DO YOU NEED SUPPORT WITH 'PREVENT' AND EXPLORING 'BRITISH VALUES'?

We can provide CPD, workshops and advice on:

- **Philosophy for Children**
- **Prevent**
- **British Values**
- **Whole School Approaches to GLP**
- **Sustainable Schools**
- **Fairtrade Schools**
- **Global Teachers Award and more!...**

Liverpool World Centre (LWC) works with schools and educators across the North West to make world issues relevant to the lives of young people. We are a trusted training provider whose work includes partnerships with Liverpool Hope University and Liverpool John Moores University, as well as the 'Teacher Education Equity and Sustainability Network' (TEESNet).

We can offer you a new perspective on global education, sustainability and how to really bring issues alive in the classroom.

All GLP members who book LWC training this year will automatically receive free LWC membership for this academic year. We can help you to explore diversity, culture and identity with your students.

The benefits of membership for your school or organisation include:

- **Free access to and borrowing from our extensive resource hub** (including new country boxes... explore somewhere new with your students!)
- **Discounts on CPD** for your staff (see www.liverpoolworldcentre.org for upcoming events or contact us for bespoke training)
- Up to **two hours consultancy** and advice (including telephone/web based support) – get advice from experienced staff on anything from global learning to curriculum development, from workshops to resources.
- Termly **global learning e-newsletter**
- Your name on our website
- A **Liverpool World Centre certificate** and digital copies of our logo for use in your building and on your website. Show the world that you're supporting a great local charity and that you're a truly global school!

Liverpool World Centre was established in September 2000 to support schools in the exploration of diversity, culture and identity, enabling young people to become more self-confident and more engaged in learning.
